Navigating the Digital World: An Ambassador's Guide

1: Useful Digital Tools

- GitHub → Store & showcase your projects
- Canva → Create presentations & designs easily
- LinkedIn → Build professional network & opportunities

2. Safe Internet Practices

- Enable Two-Factor Authentication (2FA)
- Don't click on unknown/suspicious links
- Never share passwords or OTPs

3. Email Etiquette

- Always write a clear subject line
- Start with formal greeting (Dear Sir/Ma'am)
- Keep email short & to the point

4: Professional Online Presence

- Maintain a clean LinkedIn profile
- Showcase your work on GitHub portfolio
- Share achievements & skills professionally
